

Specification

Technical Data Sheet

Product Name	Triallyl-1,3,5-triazine-2,4,6(1H,3H,5H)trione
---------------------	---

Product No	57704380
-------------------	----------

CAS Number	1025-15-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	249.27
-------------------------	--------

Specification

Appearance	Yellow/White solid
-------------------	--------------------

Identification	Conforms to reference
-----------------------	-----------------------
