

# Specification

## Technical Data Sheet

<b>Product Name</b>	Bromomethyl methyl ether
---------------------	--------------------------

<b>Product No</b>	57850247
-------------------	----------

<b>CAS Number</b>	13057-17-5
-------------------	------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	124.96
-------------------------	--------

### Specification

<b>Appearance</b>	Clear colourless to clear light yellow liquid
-------------------	---

<b>Impurity</b>	≤ 4.5%
-----------------	--------

<b>Water</b>	≤0.5%
--------------	-------

<b>Assay GC</b>	≥ 95%
-----------------	-------
