

Specification

Technical Data Sheet

Product Name	Dimethoxymethane
---------------------	------------------

Product No	57914280
-------------------	----------

CAS Number	109-87-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	76.09
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Water	$\leq 0.05\%$
--------------	---------------

Methyl Alcohol	$\leq 0.05\%$
-----------------------	---------------

Purity GC	$\geq 99.9\%$
------------------	---------------
