

Specification

Technical Data Sheet

Product Name	Malonic acid dihydrazide
---------------------	--------------------------

Product No	58098625
-------------------	----------

CAS Number	3815-86-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	132.12
-------------------------	--------

Specification

Appearance	White crystal solid
-------------------	---------------------

Loss on Drying	$\leq 0.5\%$
-----------------------	--------------

Melting Point	$\geq 150-154^{\circ}\text{C}$
----------------------	--------------------------------

Assay (T)	$\geq 99.0\%$
------------------	---------------
