

# Specification

## Technical Data Sheet

<b>Product Name</b>	BES (N,N-Bis(2-hydroxyethyl)-2-aminoethanesulfonic acid)
---------------------	--

<b>Product No</b>	58714707
-------------------	----------

<b>CAS Number</b>	10191-18-1
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	213.25
-------------------------	--------

### Specification

<b>Appearance</b>	White powder
-------------------	--------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Assay</b>	≥99.0%
--------------	--------

<b>Moisture</b>	≤1.0%
-----------------	-------

<b>Pka</b>	6.9 - 7.3
------------	-----------

<b>A280 nm</b>	≤0.08
----------------	-------

<b>Solubility (0.1 M in H2O)</b>	Clear and complete
----------------------------------	--------------------

## Specification

---

**UV A260nm**

$\leq 0.10$
