

Specification

Technical Data Sheet

Product Name	Diisodecyl Phthalate
---------------------	----------------------

Product No	59649458
-------------------	----------

CAS Number	26761-40-0
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	446.66
-------------------------	--------

Specification

Ester Value	246 - 254
--------------------	-----------
