

Specification

Technical Data Sheet

Product Name	N,N-Dimethyldodecylamine
---------------------	--------------------------

Product No	60325286
-------------------	----------

CAS Number	112-18-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	213.40
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Identification (RAMAN)	Conforms to Reference
-------------------------------	-----------------------

Purity	≥ 97.0%
---------------	---------
