

# Specification

## Technical Data Sheet

<b>Product Name</b>	Grubbs Catalyst, 2nd gen
---------------------	--------------------------

<b>Product No</b>	60505776
-------------------	----------

<b>CAS Number</b>	246047-72-3
-------------------	-------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	848.97
-------------------------	--------

### Specification

<b>Appearance</b>	Dark red solid
-------------------	----------------

<b>Content</b>	≥95%
----------------	------
