

Specification

Technical Data Sheet

Product Name	Hexaethylphosphorous triamide
---------------------	-------------------------------

Product No	60554819
-------------------	----------

CAS Number	2283-11-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	247.36
-------------------------	--------

Specification

Appearance	Colourless clean liquid
-------------------	-------------------------

Assay (GC)	>98%
-------------------	------
