

Specification

Technical Data Sheet

Product Name	6-Benzylaminopurine (N-6-Benzyladenine)
---------------------	-----------------------------------------

Product No	60694138
-------------------	----------

CAS Number	1214-39-7
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	225.25
-------------------------	--------

Specification

Appearance	White crystal
-------------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------

Loss on Drying	≤0.5%
-----------------------	-------

Melting Point	226°C - 235°C
----------------------	---------------

Assay	≥98.0%
--------------	--------

Residue on Ignition	≤0.1%
----------------------------	-------
