

# Specification

## Technical Data Sheet

<b>Product Name</b>	Erythromycin ethylsuccinate
---------------------	-----------------------------

<b>Product No</b>	61237309
-------------------	----------

<b>CAS Number</b>	1264-62-6
-------------------	-----------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	862.05
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>pH</b>	7.8 - 8.5
-----------	-----------

<b>Water</b>	= or < 1.0%
--------------	-------------

<b>Assay (anhydrous basis)</b>	765 U/mg - 775 U/mg
--------------------------------	---------------------

<b>Molecula Weight</b>	862
------------------------	-----

<b>Residue on Igniion</b>	= or < 0.2%
---------------------------	-------------
