

Specification

Technical Data Sheet

Product Name	Indole-4-carboxaldehyde (4-Formylindole)
---------------------	--

Product No	61265833
-------------------	----------

CAS Number	1074-86-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	145.16
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
