

Specification

Technical Data Sheet

Product Name	3-Bromothiophene
---------------------	------------------

Product No	61276618
-------------------	----------

CAS Number	872-31-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	163.04
-------------------------	--------

Specification

Appearance	Colourless to pale yellow clear liquid
-------------------	--

Purity	min 97%
---------------	---------
