

Specification

Technical Data Sheet

Product Name	Mercury(II) sulfate 20% w/v sulfuric acid solution
---------------------	--

Product No	61441891
-------------------	----------

CAS Number	7783-35-9
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	296.65
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------
