

Specification

Technical Data Sheet

Product Name	2-Methyl-3-nitroaniline (2-Amino-6-nitrotoluene)
---------------------	--

Product No	62167709
-------------------	----------

CAS Number	603-83-8
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.15
-------------------------	--------

Specification

Appearance	Yellow to green crystalline powder
-------------------	------------------------------------
