

Specification

Technical Data Sheet

Product Name	5-Aminonicotinic acid
---------------------	-----------------------

Product No	62756112
-------------------	----------

CAS Number	24242-19-1
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	138.12
-------------------------	--------

Specification

Appearance	Crystalline powder
-------------------	--------------------
