

Specification

Technical Data Sheet

Product Name	Tetrabutylammonium bromide (TBAB)
Product No	64093691
CAS Number	1643-19-2
Storage Temperature	Ambient
Molecular Weight	322.37
	Specification
Appearance	White to almost white crystals/crystalline powder
Identification	Conforms to reference
Assay	≥99% (titration)
Chromaticity	≤200 (chroma meter)
Free Amine	≤0.5% (tritation)
Moisture	≤0.5% (moisture titration)
