

Specification

Technical Data Sheet

Product Name	3-Aminosalicylic acid
---------------------	-----------------------

Product No	64455124
-------------------	----------

CAS Number	570-23-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	153.14
-------------------------	--------

Specification

Appearance	Off white/ grey powder
-------------------	------------------------

Identification	Conforms to reference
-----------------------	-----------------------
