

# Specification

## Technical Data Sheet

<b>Product Name</b>	Diethyl cyanomethylphosphonate
---------------------	--------------------------------

<b>Product No</b>	64731379
-------------------	----------

<b>CAS Number</b>	2537-48-6
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	177.14
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless oily liquid
-------------------	------------------------

<b>Water</b>	<0.5%
--------------	-------

<b>Acid number</b>	<0.5mg/KOH
--------------------	------------

<b>Assay</b>	>98%
--------------	------
