

# Specification

## Technical Data Sheet

<b>Product Name</b>	R)-(+)-2,2,Dimethyl-1,3-dioxolane-4-carboxaldehyde
---------------------	--

<b>Product No</b>	64747409
-------------------	----------

<b>CAS Number</b>	15186-48-8
-------------------	------------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	130.14
-------------------------	--------

### Specification

<b>Appearance</b>	Clear or light yellow oily liquid
-------------------	-----------------------------------

<b>Physical Appearance</b>	Clear or light yellow oily liquid
----------------------------	-----------------------------------

<b>Specific rotation</b>	+62° to +65°
--------------------------	--------------

<b>Assay</b>	~ 43% in Dichloromethane Solution
--------------	-----------------------------------

<b>Purity</b>	≥ 98%
---------------	-------
