

Specification

Technical Data Sheet

Product Name	4,4'-Dimethoxytritylchloride (DMT-Cl)
---------------------	---------------------------------------

Product No	65276715
-------------------	----------

CAS Number	40615-36-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	338.83
-------------------------	--------

Specification

Appearance	Light pink powder
-------------------	-------------------

Loss on Drying	≤ 1.0%
-----------------------	--------

Melting Point	120 - 125 °C
----------------------	--------------

Purity HPLC	≥ 99%
--------------------	-------
