

Specification

Technical Data Sheet

Product Name	Diethyl Sulphate, 99% Ps
---------------------	--------------------------

Product No	65617544
-------------------	----------

CAS Number	64-67-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	154.18
-------------------------	--------

Specification

Appearance	Colourless oily liquid
-------------------	------------------------

Density	1.170-1.180g/ml (20°C)
----------------	------------------------

Water	≤0.1%
--------------	-------

Assay	≥99.50%
--------------	---------

Chroma	≤20
---------------	-----
