

Specification

Technical Data Sheet

| | |
|---------------------|--|
| Product Name | Coumarin 6 (3-(2-Benzothiazolyl)-7-(diethylamino)coumarin) |
|---------------------|--|

| | |
|-------------------|----------|
| Product No | 66077632 |
|-------------------|----------|

| | |
|-------------------|------------|
| CAS Number | 38215-36-0 |
|-------------------|------------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 350.44 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------|
| Appearance | Solid |
|-------------------|-------|
