

# Specification

## Technical Data Sheet

|                     |                           |
|---------------------|---------------------------|
| <b>Product Name</b> | 6-Chloropurine-9-riboside |
|---------------------|---------------------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 66096478 |
|-------------------|----------|

|                   |           |
|-------------------|-----------|
| <b>CAS Number</b> | 2004-06-0 |
|-------------------|-----------|

|                            |               |
|----------------------------|---------------|
| <b>Storage Temperature</b> | -15 to -20 °C |
|----------------------------|---------------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 286.67 |
|-------------------------|--------|

### Specification

|                   |       |
|-------------------|-------|
| <b>Appearance</b> | Solid |
|-------------------|-------|
