

Specification

Technical Data Sheet

Product Name	N,N,Dimethylformamide SG
---------------------	--------------------------

Product No	66114777
-------------------	----------

CAS Number	68-12-2
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	73.09
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay GC	≥ 99.5%
-----------------	---------
