

Specification

Technical Data Sheet

Product Name	Sodium valproate (2-Propylpentanoic acid, sodium salt)
---------------------	--

Product No	66286339
-------------------	----------

CAS Number	1069-66-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	166.19327
-------------------------	-----------

Specification

Appearance	Solid
-------------------	-------
