

Specification

Technical Data Sheet

Product Name	6-Azaindole
---------------------	-------------

Product No	66418762
-------------------	----------

CAS Number	271-29-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	118.14
-------------------------	--------

Specification

Appearance	Off white/ brown powder
-------------------	-------------------------

Identification	Conforms to reference
-----------------------	-----------------------
