

# Specification

## Technical Data Sheet

<b>Product Name</b>	Coenzyme A free acid
---------------------	----------------------

<b>Product No</b>	66596238
-------------------	----------

<b>CAS Number</b>	85-61-0
-------------------	---------

<b>Storage Temperature</b>	-15 to -20 °C
----------------------------	---------------

<b>Molecular Weight</b>	767.53
-------------------------	--------

### Specification

<b>Appearance</b>	Almost white to slightly yellowish powder
-------------------	---

<b>Identification</b>	Abs 285 max, Abs 230 min
-----------------------	--------------------------

<b>Loss on Drying</b>	≤5.0%
-----------------------	-------

<b>Appearance of Solution</b>	Conforms
-------------------------------	----------

<b>Testing of Equivalency</b>	1mg Coenzyme A >250u/mg
-------------------------------	-------------------------

<b>Related Substance</b>	≤15%
--------------------------	------
