

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,6-Diisopropylphenol
---------------------	-----------------------

<b>Product No</b>	66803840
-------------------	----------

<b>CAS Number</b>	2078-54-8
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	178.27
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless to light yellow clear liquid
-------------------	---

<b>Conclusion</b>	Meets EP Grade
-------------------	----------------

<b>Refractive Index</b>	1.5125 - 1.5145
-------------------------	-----------------

<b>Assay</b>	98.0 - 102.0 %
--------------	----------------

<b>Production Date</b>	DD/MM/YY
------------------------	----------

<b>Related Substance</b>	The sum of all impurities $\leq 0.3\%$
--------------------------	--
