

Specification

Technical Data Sheet

Product Name	5-Bromo-2-iodopyrimidine
---------------------	--------------------------

Product No	67136936
-------------------	----------

CAS Number	183438-24-6
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	284.88
-------------------------	--------

Specification

Appearance	White to off-white solid
-------------------	--------------------------
