

Specification

Technical Data Sheet

Product Name	Dimethyloldimethyl hydantoin (DMDMH) Solution (4.65M)
---------------------	-------------------------------------------------------

Product No	67244313
-------------------	----------

CAS Number	6440-58-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	188.18
-------------------------	--------

Specification

Appearance	Liquid
-------------------	--------

pH	6.5 - 7.5
-----------	-----------

Assay	54.0 - 57.0%
--------------	--------------

Freezing Point	-11°C
-----------------------	-------

Specific Gravity	1.16 - 1.18
-------------------------	-------------
