

# Specification

## Technical Data Sheet

<b>Product Name</b>	Copper (II) oxide
---------------------	-------------------

<b>Product No</b>	67300009
-------------------	----------

<b>CAS Number</b>	1317-38-0
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	79.55
-------------------------	-------

### Specification

<b>Appearance</b>	Orange/Red powder
-------------------	-------------------

<b>Assay</b>	≥97%
--------------	------

<b>Assay as Cu (Complexometric)</b>	≥86.0%
-------------------------------------	--------
