

Specification

Technical Data Sheet

Product Name	2,5-Dibromothiophene
---------------------	----------------------

Product No	67585063
-------------------	----------

CAS Number	3141-27-3
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	241.93
-------------------------	--------

Specification

Appearance	Colourless to pale green transparent liquid
-------------------	---

Water	<0.3%
--------------	-------

Assay	>99%
--------------	------
