

Specification

Technical Data Sheet

Product Name	3-(4-Fluorophenyl)propionic acid
---------------------	----------------------------------

Product No	67876188
-------------------	----------

CAS Number	459-31-4
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	145.16
-------------------------	--------

Specification

Appearance	White crystal
-------------------	---------------

Purity	>97%
---------------	------
