

Specification

Technical Data Sheet

Product Name	2-Amino-1-butanol
---------------------	-------------------

Product No	68741181
-------------------	----------

CAS Number	96-20-8
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	89.14
-------------------------	-------

Specification

Appearance	Clear colourless to light yellow liquid
-------------------	---

Water	$\leq 5\%$
--------------	------------

Colour	≤ 5
---------------	----------

Purity	$\geq 95.0\%$
---------------	---------------
