

Specification

Technical Data Sheet

Product Name	D-Phenylalanine
---------------------	-----------------

Product No	69840057
-------------------	----------

CAS Number	673-06-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	165.19
-------------------------	--------

Specification

Appearance	White to off white crystalline powder
-------------------	---------------------------------------
