

Specification

Technical Data Sheet

Product Name	Chromotrope 2B
---------------------	----------------

Product No	70226119
-------------------	----------

CAS Number	548-80-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	513.37
-------------------------	--------

Specification

Appearance	Brown red to red powder
-------------------	-------------------------

Sensitivity test for boron	Passes test
-----------------------------------	-------------
