

Specification

Technical Data Sheet

Product Name	2,3-Pyridinedicarboxylic acid (Quinolinic acid)
---------------------	---

Product No	70631764
-------------------	----------

CAS Number	89-00-9
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	167.12
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Water	$\leq 0.5\%$
--------------	--------------

Assay	$\geq 99.5\%$
--------------	---------------

Solubility	Faint yellow clear solution
-------------------	-----------------------------

Sulfated ash	$\leq 0.5\%$
---------------------	--------------

Maximum Impurity	$\leq 0.1\%$
-------------------------	--------------
