

Specification

Technical Data Sheet

Product Name	1-Phenyl-3-methyl-5-pyrazolone
---------------------	--------------------------------

Product No	70986538
-------------------	----------

CAS Number	89-25-8
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	174.20
-------------------------	--------

Specification

Appearance	Light yellow powder
-------------------	---------------------
