

Specification

Technical Data Sheet

Product Name	-)-Camphanic acid
---------------------	-------------------

Product No	71783403
-------------------	----------

CAS Number	13429-83-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	198.22
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
