

Specification

Technical Data Sheet

Product Name	4-tert-Butylcalix(8)arene
---------------------	---------------------------

Product No	72255010
-------------------	----------

CAS Number	68971-82-4
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	1297.83
-------------------------	---------

Specification

Appearance	White powder
-------------------	--------------

Moisture	<0.5%
-----------------	-------

Melting Range	TBC
----------------------	-----
