

Specification

Technical Data Sheet

Product Name	Citral (cis + trans)
---------------------	----------------------

Product No	72301743
-------------------	----------

CAS Number	5392-40-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.23
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Refractive Index	1.486 to 1.490
-------------------------	----------------

Assay	≥ 95 %
--------------	--------

Specific Gravity	0.886 to 0.894
-------------------------	----------------
