

Specification

Technical Data Sheet

Product Name	1-Methoxy-2-propanol
---------------------	----------------------

Product No	72506025
-------------------	----------

CAS Number	107-98-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	90.121
-------------------------	--------

Specification

Appearance	Clear Colourless Liquid
-------------------	-------------------------

Colour (Pt-Co)	≤10
-----------------------	-----

Water	≤0.1%
--------------	-------

Acidity	≤0.02%
----------------	--------

Purity	≥99.5%
---------------	--------

Boiling Range	117 - 125°C
----------------------	-------------
