

Specification

Technical Data Sheet

| | |
|---------------------|--------------------|
| Product Name | Benzophenone imine |
|---------------------|--------------------|

| | |
|-------------------|----------|
| Product No | 72775775 |
|-------------------|----------|

| | |
|-------------------|-----------|
| CAS Number | 1013-88-3 |
|-------------------|-----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 181.23 |
|-------------------------|--------|

Specification

| | |
|-------------------|---------------------------------|
| Appearance | Clear colourless/ yellow liquid |
|-------------------|---------------------------------|
