

Specification

Technical Data Sheet

Product Name	BOC-L-Tryptophan-OH
---------------------	---------------------

Product No	73906266
-------------------	----------

CAS Number	13139-14-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	304.34
-------------------------	--------

Specification

Appearance	Off white/ beige powder
-------------------	-------------------------
