

Specification

Technical Data Sheet

Product Name	D-(+)-Glucose monohydrate
---------------------	---------------------------

Product No	74274049
-------------------	----------

CAS Number	5996-10-1
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	198.17
-------------------------	--------

Specification

Appearance	Powder
-------------------	--------

pH	4.0 ~ 6.5
-----------	-----------

Water	≤10.0
--------------	-------

Assay	≥99.5%
--------------	--------

Rotation	+52.0 ~ +53.5
-----------------	---------------

Sulphated Ash	≤0.25
----------------------	-------
