

Specification

Technical Data Sheet

Product Name	6-Bromo-2-naphthol
---------------------	--------------------

Product No	74457608
-------------------	----------

CAS Number	15231-91-1
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	223.07
-------------------------	--------

Specification

Appearance	Off white powder
-------------------	------------------
