

# Specification

## Technical Data Sheet

<b>Product Name</b>	5-Amino-2-bromopyridine
---------------------	-------------------------

<b>Product No</b>	74658501
-------------------	----------

<b>CAS Number</b>	13534-97-9
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	173.01
-------------------------	--------

### Specification

<b>Appearance</b>	Beige Powder
-------------------	--------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
