

Specification

Technical Data Sheet

Product Name	Hexadecane 95% SG (C16H34)
---------------------	----------------------------

Product No	74800524
-------------------	----------

CAS Number	544-76-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	226.44
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Assay	≥ 95.0%
--------------	---------
