

# Specification

## Technical Data Sheet

<b>Product Name</b>	N-Methylmorpholine
---------------------	--------------------

<b>Product No</b>	75505312
-------------------	----------

<b>CAS Number</b>	109-02-4
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	101.15
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless liquid
-------------------	-------------------

<b>Impurity</b>	Negative
-----------------	----------

<b>Water</b>	$\leq 0.5\%$
--------------	--------------

<b>Assay</b>	$\geq 99.0\%$
--------------	---------------

<b>Colour Apha</b>	$\leq 15$
--------------------	-----------
